**REQUEST FOR APPROVAL TO RE-ADOPT
CURRENT CASELOAD ALLOCATION RULE**

The judges of La Porte County have met and reviewed the 2013 weighted caseload statistics for the courts of record. Although our caseload allocation was out of compliance until June 5, 2013, our review indicates that after that date the difference in utilization between any two courts of record does not exceed .40 based on the 2013 Weighted Caseload Report.

Accordingly, the judges of the courts of record have decided to re-adopt their local rule pertaining to caseload allocation as required by Administrative Rule 1. This local rule was previously published for public comment as required by Trial Rule 81 and approved by the Supreme Court. We request Supreme Court approval to re-adopt the current local rule on caseload allocation.

Submitted this 4th day of June, 2014 for the Courts of Record of La Porte County,

William J. Boklund /S/ , Judge
La Porte Superior Court No. 4
